Rs. 1,918, Rs. 3,230, Rs. 225 and Rs. 45 under '24—Public Health—B—Vaccination'.

Dr. A. R. Menon (*Minister for Rural Development*): Sir, I rise to move for the additional allotment of Rs. 1918, Rs. 3,230, Rs. 225 and Rs. 45 under "24—Public Health—B—Vaccination." The reasons have been fully explained in the notes for the Standing Finance Committee, I do not think I shall have to give any further explanation. I request the House to allow the grant.

The demand was put and carried.

Rs. 743 under '24-A3—Rural Sanitation—Temporary Establishment.'

Dr. A. R. Menon (*Minister for Rural Development*): Sir, I rise to move for an additional allotment of Rs. 743 under "24—A 3—Rural Sanitation—Temporary Establishment." The Medical Officer for Epidemics has been deputed for training at Calcutta. We had to appoint another person in his place. As the necessity for a substitute was not anticipated at the time of the budget, no provision was made in the current budget. The amount is only to meet the salary of the acting incumbent. I request that the House be pleased to allow the amount.

The demand was put and carried.

Rs. 2,500 under '28—Public Works—Mechanical and Electrical Engineering—Trichur Public Building Electrification'.

Mr. V. K. Aravindaksha Menon (*Chief Engineer*): Sir, I rise to move for an additional allotment of Rs. 2,500 under "28—Public Works - Mechanical and Electrical Engineering—Trichur Public Buildings Electrification." The amount is for giving a contribution to the Trichur Municipality to maintain the electric lights on the foot-path round the Thekkinkad Maidan. I request the House to allow the grant.

Mr. C. V. Iyyu (*Kunnamkulam*): Sir, I oppose the motion. The Trichur Municipality is perhaps the premier Municipality in the State and also perhaps one of the richest Municipalities in South India. There is no reason for giving a Government contribution to this Municipality for the maintenance of the lights. There are many Municipalities which run schools and hospitals. But Trichur Municipality neither runs a school by itself nor does it run a dispensary even.
